Outdoor Recess Winter Dress Code

If snow is covering the playground area, students are required to wear coat, snow pants and boots outside at recess. Their ears and hands need to be covered if the outside temperature is 30 degrees or below. School staff and recess monitors will decide when snow pants and boots are no longer needed in the spring. If a student does not have snow pants or boots, he or she can first check if there is something he/she can borrow from the school. If not, a student without snow pants and/or boots will go outside but will have to stay on the blacktop plowed area.

If the outdoor temperature is 50 degrees or below, students are required to have long sleeves over their arms.

Thank you for your cooperation with our outdoor dress code rules.
